## **Postgraduate Certificate in Leadership of Drug and Alcohol Services**

The Postgraduate Certificate in Leadership of Drug and Alcohol Services has been developed for those already working within, or seeking, leadership positions in drug and alcohol support agencies.

The programme will be highly interactive, drawing on participants' knowledge and experiences as a means of helping them to improve their understanding and skill in leadership and management of drug and alcohol services.

### **Who is the programme for?**

The programme is designed for those already working within, or seeking, leadership positions in drug and alcohol services.

### **What will I be studying?**

The programme is delivered in three courses:

- Leading people
- Leading organisations
- Practitioner inquiry and decision making

Each course is equivalent to 20 credits at SCQF Level 11 (Masters Level). Successful completion of all three courses will result in qualification for the Postgraduate Certificate in Leadership of Drug and Alcohol Services (60 credits at SCQF Level 11).

### **Entry requirements**

Applicants will be considered if they possess a relevant degree or equivalent professional qualifications; or a minimum of five years' relevant experience in the addictions field.
