

Alcohol Early Intervention and Prevention Leadership Summit

11 January 2013

**Royal College of Obstetrician and Gynaecology
27 Sussex Place, Regents Park,
London NW1 4RG**

The London Health Improvement Board invites you to the Alcohol Early Intervention and Prevention Leadership Summit. The summit provides a unique opportunity for leaders to come together and discuss the importance of balancing London's relationship with alcohol and the need for prioritising prevention.

The Alcohol Early Intervention and Prevention Leadership Summit will feature a series of presentations given by leading experts in the field as well as an interactive question and discussion session, an online demonstration of alcohol intervention and prevention tools and exhibitions on available resources and materials to help your organisation in tackling alcohol harm reduction.

The benefits of attending the Alcohol Early Intervention and Prevention Leadership Summit are to:

- **View presentations on the overall programme**
- **Address evidence and evidence gaps**
- **Bring examples and case histories**
- **Review Identification and Brief Advice tools**
- **Define together key tasks and outcomes**

Speakers include representatives from:

- **The Mayor's Office**
- **Metropolitan Police**
- **Department of Health**
- **London Probation Trust**
- **Academia**

Who should attend?

Chief Executives, Local Leads and Senior Staff within the following sectors:

- **Acute Care**
- **Urgent Care**
- **Dental Services**
- **Community Pharmacy**
- **Local Authority**
- **Maternity Services**
- **Third Sector organisations**
- **Improving Access to Psychological Therapies (IAPT) services in Primary Care**
- **Prison Health care**
- **London Probation Trust**
- **NHS Commissioning Board**
- **London Fire Brigade**
- **Metropolitan Police**
- **London Ambulance Service**
